

WOLLATON PARK ROTARY CLUB PRESENTS ITS ANNUAL

ART EXHIBITION - 24th Oct

St Leonards Community Centre, Bramcote Lane, Wollaton Village

Thank you for your interest in exhibiting this year.

This year we're hoping to grow on last year's brilliant exhibition, with more work than ever before. If you are an artist, a photographer, as sculptor, a crafter... anything creative really! then we'd love to hear from you.

Please note: All entries must be submitted, and donations received, at the designated time otherwise we regret that we will not be able to exhibit your submission. Please note that all submissions are exhibited at the artists own risk although every care will be taken by the exhibition staff. All unsold submissions must be collected between 4 - 5.00pm on that Saturday, and cheques will be sent to the successful exhibitors in due course.

Once again this year I'd like to feature all registered artists on our website. So if you have registered please email me some good quality images of your work along with some words about you and your work (and any social media and contact links you want featured) and I'll add them to the website.

Yours sincerely

Richard Cook
